SETTLEMENT BENEFITS

Payment of Settlement Amount

- 1.2 Within 30 days of the execution of this Agreement, the Northern Dynasty Defendants shall pay or cause their insurers to pay to Class Counsel, in trust, the Settlement Amount in full and final settlement of the claims against the Defendants or proposed to be made against the Defendants in the Canadian Action.

Settlement Amount to be Held in Trust

- 1.3 Prior to the Effective Date, Class Counsel shall maintain an Escrow Account to hold the Settlement Amount in trust for the benefit of the Class.
- 1.4 Class Counsel may pay Administration Expenses up to \$50,000 (“Non-Refundable Amount”) when they are incurred from the Escrow Settlement Funds while in control of the Escrow Amount.
- 1.5 Within ten (10) days of the Effective Date, Class Counsel shall transfer control of the Escrow Account to the Administrator, but before doing so Class Counsel may deduct and retain from the Escrow Settlement Funds the Class Counsel Fees approved by the Court.
- 1.6 Upon the transfer of the Escrow Account to the Administrator, the Administrator shall maintain the Escrow Settlement Funds in the Escrow Account under the control of the Administrator and hold the Escrow Settlement Funds in trust as provided for in this Agreement.
- 1.7 Class Counsel shall account to the Administrator for all payments made from the Escrow Account prior to the transfer described in section 1.5. In the event this Agreement is terminated, Class Counsel or the Administrator, whichever then has control of the Escrow Account, shall deliver an accounting to the Parties no later than ten (10) days after the termination, and shall return the Settlement Amount to the Defendants within 20 days of the termination less any Non-Refundable Amount paid out of the Escrow Account in accordance with this Agreement.
- 1.8 Neither Class Counsel nor the Administrator shall pay out any of the Escrow Settlement Funds except in accordance with this Agreement.

- 1.9 Any dispute concerning the entitlement to, or quantum of expenses incurred in the publication and dissemination of the First Notice or Second Notice, or Administration Expenses paid by Class Counsel or the Administrator, shall be dealt with by an application to the Court on notice to the Parties.
- 1.10 The Settlement Amount shall be inclusive of interest, taxes, any honorarium, and Class Counsel Fees.
- 1.11 The Settlement Amount shall be paid in full and final satisfaction of the Released Claims against the Releasees.

Taxes on Interest

- 1.12 Except as expressly provided herein, all interest earned on the Settlement Amount shall accrue to the benefit of the Class and shall become and remain part of the Settlement Amount in the Escrow Account.
- 1.13 Subject to section 1.14, all taxes payable on any interest which accrues on or otherwise in relation to the Escrow Settlement Funds shall be the responsibility of the Plaintiffs and the Class. Class Counsel or the Administrator, as may later be appropriate, shall be solely responsible to fulfil all tax reporting and payment requirements arising from the Escrow Settlement Funds, including any obligation to report taxable income and make tax payments. All taxes (including interest and penalties) due with respect to the income earned by the Settlement Amount shall be paid from the Escrow Account.
- 1.14 The Defendants shall have no responsibility related to the Escrow Account, other than as expressly set out herein, including but not limited to, making any filings relating to the Escrow Account, paying tax on any income earned by the Settlement Amount, or paying any taxes on the monies in the Escrow Account, unless this Agreement is terminated, in

which case any interest earned on the Settlement Amount shall be paid to the Defendants who, in such case, shall be responsible for the payment of any taxes on such interest not previously paid by Class Counsel or the Administrator.

NO REVERSION

- 1.15 Unless this Agreement is terminated as provided herein, the Defendants shall not be entitled to the repayment of any portion of the Settlement Amount and then only to the extent of and in accordance with the terms provided herein.

DISTRIBUTION OF THE SETTLEMENT AMOUNT

- 1.16 On or after the Implementation Date, the Administrator shall distribute the Settlement Amount in accordance with the following priorities:
- (a) to pay Class Counsel Fees as awarded by the Court (unless the Class Counsel Fees have already been paid to Class Counsel in accordance with section 1.5);
 - (b) to pay any honorarium to the Plaintiffs as the Court may decide to award;
 - (c) to pay all of the costs and expenses reasonably and actually incurred in connection with the provision of Notice;
 - (d) to pay all of the remaining Administration Expenses. For greater certainty, the Defendants and Class are excluded from eligibility for any payment of costs and expenses under this subsection;
 - (e) to pay a *pro rata* share of the balance of the Settlement Amount to each Authorized Claimant in proportion to the Authorized Claimant's claim as recognized in accordance with the Distribution Protocol; and

(f) to the Law Foundation of British Columbia if there shall remain thereafter Escrow Settlement Funds and, in the opinion of the Administrator, it is not feasible to reallocate the remaining Escrow Settlement Funds among the Authorized Claimants in an equitable and economic fashion in accordance with the Distribution Protocol.

1.17 Class Counsel shall propose for approval by the Court a Distribution Protocol. The approval of the Distribution Protocol may be considered separately from the approval of the Settlement and is not a condition of the approval of the Settlement itself.

RELEASES

1.18 As of the Effective Date, and in consideration of payment of the Settlement Amount, and for other valuable consideration set forth in the Agreement, the Releasors forever and absolutely release the Releasees from the Released Claims.

1.19 As of the Effective Date, the Releasors and Class Counsel, only to the extent of compliance with any Rules of Professional Conduct which may apply, shall not now or hereafter institute, continue, maintain or assert, either directly or indirectly, whether in Canada or elsewhere, on their own behalf or on behalf of any class or any other person, any action, suit cause of action, claim or demand against any Releasee or any other person who may claim contribution or indemnity from any Releasee in respect of any Released Claim or any matter related thereto.

1.20 The Releasors acknowledge that they may subsequently discover facts in addition to, or different from those they now know, but nonetheless agree that section 1.19 applies regardless of the subsequent discovery of facts different from those they are aware of on the Effective Date. By means of the Settlement, the Releasors waive any right they may

have under the law, common law, civil law, in equity or otherwise, to this waiver of their own volition, with full knowledge of its consequences and that this waiver was negotiated and constitutes a key element of the Settlement.

- 1.21 Upon the Effective Date, each Class Member shall be deemed to irrevocably consent to the dismissal, without costs, with prejudice, and without reservation, of the Action.

EFFECT OF SETTLEMENT

No Admissions or Concessions

- 1.22 This Agreement, whether or not it is terminated, anything contained in it, any and all negotiations, discussions, and communications associated with this Agreement, shall not be deemed, construed or interpreted to be:

- (a) an admission or concession by the Defendants of any fact, fault, omission, wrongdoing or liability, or of the truth of any of the claims or allegations made against the Defendants in the Canadian Action or that could have been made in the Canadian Action against the Defendants; or
- (b) an admission or concession by the Plaintiffs, their counsel or the Class of any weakness in the claims of the Plaintiffs and the Class or that the consideration to be given hereunder represents the amount that could or would have been recovered from the Defendants after trial of the Canadian Action.

Agreement Not Evidence nor Presumption

- 1.23 This Agreement, whether or not it is terminated, anything contained in it, any and all negotiations, documents, discussions and proceedings associated with this Agreement, and any action taken to implement this Agreement, shall not be offered or received in the

Canadian Action should this Agreement be terminated and the Canadian Action continues, or any pending or future civil, criminal, quasi-criminal, administrative action or disciplinary investigation or proceeding:

- (a) of the validity of any of the claims that have been or could have been asserted in the Canadian Action by the Plaintiffs against the Defendants, or the deficiency of any defence that has been or could have been or could be asserted in the Canadian Action;
- (b) of wrongdoing, fault, neglect or liability by the Defendants; or
- (c) against the Plaintiffs, their counsel or the Class, as evidence, or a presumption, of a concession or admission:
 - (i) of any weakness in the claims of the Plaintiffs and the Class; or
 - (ii) that the consideration to be given hereunder represents the amount that could or would have been recovered from the Defendants after trial of the Canadian Action.

1.24 Notwithstanding section 1.23, this Agreement may be referred to or offered as evidence in order to obtain the orders or directions from the Court contemplated by this Agreement, in a proceeding to approve or enforce any term of, or dispute under, this Agreement, to defend against the assertion of released claims, or as otherwise required by law.

REQUIRED STEPS

Reasonable Efforts

1.25 The Parties shall take all reasonable steps to effectuate the Settlement and to secure the prompt, complete and final dismissal with prejudice of the Canadian Action on a without

costs basis as against the Defendants, including cooperating in the Plaintiffs' efforts to obtain the approval and orders required from the Court regarding the approval or implementation of the Settlement.

Canadian Action in Abeyance

1.26 Until the Effective Date or this Agreement is terminated in accordance with its terms, whichever occurs first, the Plaintiffs agree to hold in abeyance all other steps in the Canadian Action as they relate to the Defendants, other than the Approval Application contemplated by this Agreement, the consent orders to amend claims (to consolidate the *Woo* action) and discontinue the *Woo* action with prejudice, and dismiss the claims against the Underwriters, and such other matters required to implement the terms of this Agreement.

APPROVAL, NOTICE AND OPT-OUT PROCESS

First Order and First Notice

1.27 As soon as practicable after this Agreement is executed, the Plaintiffs shall bring an application for the approval of the First Order. The Defendants will consent to the issuance of the First Order.

1.28 The Parties agree that the certification of the Canadian Action as a class proceeding is for the sole purpose of effecting the Settlement. In the event that this Agreement is terminated as provided herein, any certification order binding the Defendants shall be vacated or set aside on consent as set out herein and shall be without prejudice to any position that either of the Parties may later take on any issue in the Canadian Action including in a subsequent certification application. In particular, the fact of the Defendants' consent to certification

for settlement purposes shall not be deemed to be an admission that the Plaintiffs have met any of the requisite criteria for certification of the Canadian Action as a class proceeding.

- 1.29 Following entry of the First Order, the Administrator shall cause the First Notice to be published and distributed in accordance with the Plan of Notice and the direction of the Court. The costs of publishing and distributing the First Notice shall be paid from the Escrow Settlement Funds as and when incurred.
- 1.30 The Administrator shall administer the opt out procedures prescribed by the First Order. No later than seven (7) calendar days after any deadline established by the Court for the delivery of opt out requests, the Administrator shall report to Class Counsel and counsel for the Defendants on the requests made to opt out of the Canadian Action.
- 1.31 Class Members who wish to file with the Court an objection or comment on the Settlement, the Distribution Protocol or the request for approval of Class Counsel Fees shall deliver to Class Counsel a written statement in accordance with the terms of, and by the deadline set out in, the First Order.
- 1.32 The Plaintiffs represent and warrant that they are not aware of any Class Member who has expressed an intention to opt out of the Settlement or of the Class and that they will not encourage any Class Member to do so.

Approval Application and Second Notice

- 1.33 The Plaintiffs will thereafter bring the Approval Application before the Court in accordance with the Court's directions. The Defendants will consent to the issuance of the Second Order.

- 1.34 At the Approval Application, Class Counsel shall propose for approval by the Court the Distribution Protocol or such other plan for distributing the Net Settlement Amount to the Class as Class Counsel may advise. The Distribution Protocol is the responsibility of Class Counsel, and the Defendants have no involvement in its design. Accordingly, the approval of the Distribution Protocol shall be considered separately from the approval of the Settlement Agreement and is not a condition of the approval of the Settlement Agreement itself and the dismissal of the Canadian Action as against the Defendants without costs and with prejudice in accordance with the Second Order.
- 1.35 The Defendants will take no position or make any submission to the Court concerning the Distribution Protocol, except as requested or required by the Court.
- 1.36 The Defendants will not oppose the issuance of the Third Order.
- 1.37 The Plaintiffs may make any amendments to the Distribution Protocol, the Third Order, the Second Notice or the Plan of Notice as it relates to Second Notice requested or directed by the Court.
- 1.38 Following the Implementation Date, the Administrator shall cause the Second Notice to be published and disseminated in accordance with the Plan of Notice as approved by the Court. The costs of publishing the Second Notice shall be paid from the Escrow Settlement Funds as and when incurred.

OTHER APPLICATIONS**Application for Approval of Class Counsel Fees**

- 1.39 Immediately following or in parallel with the Approval Application, Class Counsel may seek the approval of Class Counsel Fees to be paid as a first charge on the Settlement Amount.
- 1.40 The Defendants acknowledge that they are not parties to the application concerning the approval of Class Counsel Fees, that they will have no involvement in the approval process to determine the amount of Class Counsel Fees, and that they will not take any position or make any submissions to the Court concerning Class Counsel Fees, except as requested and required by the Court.
- 1.41 The procedure for and the allowance or disallowance by the Court of any requests for Class Counsel Fees to be paid out of the Settlement Amount are not part of the Settlement provided for herein, except as expressly provided in section 1.16, and are to be considered by the Court separately from its consideration of the fairness, reasonableness, and adequacy of the Settlement provided for herein. For clarity, approval of the Settlement is not dependent on approval of any Class Counsel Fees.
- 1.42 Any order or proceeding relating to Class Counsel Fees, or any appeal from any order relating thereto or reversal or modification thereof, shall not operate to terminate or cancel this Agreement or affect or delay the finality of the Second Order and the Settlement of this Canadian Action provided herein.

Application for Approval of Honorarium

- 1.43 Immediately following or in parallel with the Approval Application, Class Counsel may seek orders from the Court relating to the payment of an honorarium to the Plaintiffs.
- 1.44 The Defendants acknowledge that they are not parties to any application concerning the payment of an honorarium to the Plaintiffs, they will have no involvement in any such application, and they will not take any position or make any submissions to the Court concerning any such application, except as requested and required by a Court.
- 1.45 Any order or proceeding relating to payment of an honorarium to the Plaintiffs, or any appeal from any order relating thereto or reversal or modification thereof, shall not operate to terminate or cancel this Agreement or affect or delay the finality of the Second Order and the Settlement of this Canadian Action provided herein.

ADMINISTRATION**Appointment of the Administrator**

- 1.46 By order of the Court, the Administrator will be appointed to serve until such time as the Escrow Settlement Funds are distributed in accordance with this Agreement and the Distribution Protocol, on the terms and conditions and with the powers, rights, duties and responsibilities set out in this Agreement and in the Distribution Protocol.

Information and Assistance from the Defendants

- 1.47 The Defendants shall, forthwith upon entry of the First Order, make reasonable efforts to deliver or cause to be delivered to the Administrator an electronic list of all persons who acquired Eligible Securities, to the extent available, along with email addresses or other

contact information for those persons as may be available to facilitate the delivery of notice to those persons.

- 1.48 The Administrator may use the information obtained under section 1.47 for the purpose of delivering the First Notice and Second Notice and for the purposes of administering and implementing this Agreement, the Plan of Notice and the Distribution Protocol, but the Administrator shall otherwise keep confidential the information obtained under section 1.47.
- 1.49 Any information obtained or created in the administration of this Agreement is confidential and, except as required by law, shall be used and disclosed only for the purpose of distributing notices and the administration of this Agreement and the Distribution Protocol.

TERMINATION

Automatic Termination

- 1.50 This Agreement shall, without notice, be automatically terminated if:
- (a) on the return of the Approval Application, the Court issues an order that is not substantially in the form of the Second Order, and such order becomes a final order;
 - or
 - (b) the Second Order is reversed on appeal and the reversal becomes a final order.
- 1.51 The Defendants shall have the right to terminate this Agreement within 14 days, or on a later date on the consent of the Parties, on being notified by the Administrator that the number of Eligible Securities of Opt Out Parties exceeds the Opt Out Threshold. The Administrator shall notify the Defendants of the number of Eligible Securities of Opt Out Parties and such particulars provided by such Opt Out Parties in support of their request to

exclude themselves from the Class in accordance with the terms of the First Order and the First Notice.

- 1.52 The right to terminate this Agreement contemplated by section 1.51 may be exercised by any one or more of the Defendants notifying Class Counsel in writing of his, her or their intention to terminate the Agreement, which notification shall have the effect of terminating this Agreement for all Defendants.
- 1.53 The Opt Out Threshold shall be stated in the Collateral Agreement. The Opt Out Threshold shall be redacted in the Collateral Agreement that is filed with the Court or otherwise made available to the public. The Collateral Agreement, without redaction of the Opt Out Threshold, shall not be published and shall be kept confidential by the parties unless the Court orders its publication or disclosure.

Effect of Termination

- 1.54 In the event this Agreement is terminated in accordance with its terms:
- (a) the Parties will be restored to their respective positions prior to the execution of this Agreement;
 - (b) the Plaintiffs and Defendants will consent to an order vacating or setting aside any order certifying this Canadian Action as a class proceeding for the purposes of implementing this Agreement and certification of this Canadian Action for settlement purposes shall not be deemed to be an admission by the Defendants that the Canadian Action met any of the criteria for certification, and that no party to this Canadian Action and no other person may rely upon the fact of the prior consent to the certification order for any purpose whatsoever;

- (c) the Escrow Settlement Funds will be returned to the Defendants;
- (d) this Agreement will have no further force or effect and no effect on the rights of the Parties except as specifically provided for herein;

THE ACTION AND CLASS CERTIFICATION

In 2020, an action (as amended) (“Action”) was commenced in the Supreme Court of British Columbia (“Court”) against Northern Dynasty Minerals Ltd. (“Northern Dynasty”), Ronald W.

Thiessen, Thomas C. Collier, Cantor Fitzgerald Canada Corporation, Canaccord Genuity Corp., BMO Nesbitt Burns Inc., Paradigm Capital Inc., TD Securities Inc., and Velocity Trade Capital (collectively, the “Defendants”)

The Action alleges that the Defendants made misrepresentations regarding the permit application process for Northern Dynasty’s proposed Pebble Project. The Action alleges that the misrepresentations were corrected over two corrective disclosures: *first*, on August 24, 2020, when media outlets reported that due to the environmental impacts of the project the USACE was set to impose stringent compensatory mitigation requirements for the Pebble Project; *second*, on November 25, 2020, when the USACE issued an unfavourable Record of Decision denying the Pebble Project’s permit application. It is further alleged that following these disclosures Northern Dynasty’s share price declined significantly, causing damage to the Class Members.

On [date], the Court certified the class action for settlement purposes against the Defendants on behalf of the Class defined above. Excluded persons are Northern Dynasty and the Underwriters (as defined in the Settlement Agreement) and their respective past or present subsidiaries, directors, officers, legal representatives, predecessors, successors and assigns, as well as Thiessen and Collier, their immediate family members, and any entities in which they have a controlling interest.

THE SETTLEMENT

On [date] the Plaintiffs and Defendants executed a Settlement Agreement providing for the settlement of the Action (“**Settlement**”), which is subject to approval by the Court. The Settlement Agreement provides for the payment of USD\$2,125,000 (“**Settlement Amount**”) in consideration of the full and final settlement of the claims of Class Members. The Settlement Amount includes all legal fees, disbursements, taxes and administration expenses.

The Settlement provides that if it is approved by the Court, the claims of all Class Members asserted or which could have been asserted in the Action will be fully and finally released, and the Action will be dismissed. The Settlement is not an admission of liability, wrongdoing or fault on the part of the Defendants, all of whom have denied, and continue to deny, the allegations against them.

Class Members who purchased securities of Northern Dynasty Minerals Ltd. on the NYSE may be eligible for compensation under a United States settlement agreement, subject to approval of the United States settlement agreement by the United States court. Information on claims deadlines and processes can be found at [website].

PARTICIPATING IN THE SETTLEMENT OR EXCLUDING YOURSELF (“OPTING OUT”) FROM THE CLASS ACTION AND SETTLEMENT

If you are a Class Member, you will be bound by the outcome of the Action, including the terms of the Settlement if approved, unless you opt out of the Action. Class Members who do not opt out will (i) be entitled to participate in the Settlement; (ii) be bound by the terms of the Settlement; and (iii) not be permitted to bring other legal proceedings in relation to the matters alleged in the Action against the Defendants, or any person released by the approved Settlement. Conversely, if you are a Class Member who opts out of the Action (an “Opt Out Party”), you will not be able to

make a claim to receive compensation from the Settlement Amount but will maintain the right to pursue your own claim against the Defendants relating to the matters alleged in the Action.

If you are a Class Member and wish to opt out, you must submit a written election to do so, together with required supporting documentation (“Opt Out Election”), to [Administrator] (“Administrator”).

To be a valid, the Opt Out Election: (a) must contain a statement of intention to opt out of the Action by you or a person authorized to bind you; (b) for Class Members who acquired Northern Dynasty securities during the period from and including [date] to and including [date], must provide a listing of all transactions during that period showing, for each transaction, the type of transaction (purchase or sale), the number of securities and the date of the transaction, and state the number of Northern Dynasty securities held at the close of trading on the TSX Venture Exchange on [date]; (d) must be supported by documents to evidence such transactions, in the form of trade confirmations, brokerage statements or other transaction records acceptable to the Administrator to verify the transactions; (e) must contain your name, address, telephone number and email address; and (f) may, at your option, contain a statement of your reason for opting out.

Your Opt Out Election must be postmarked no later than **11:59pm Vancouver (Pacific) time on [date] (“Opt Out Deadline”)**.

Opt Out Elections may be sent by mail or courier to: [Administrator contact details]

An Opt Out Election that does not contain all of the required information or is postmarked after the Opt Out Deadline will not be valid, which means that you will be bound by the outcome of the Action, including the Settlement, if it is approved.

You may revoke an Opt Out Election by delivering to the Administrator by mail or courier a written statement that you wish to revoke the Opt Out Election, which must be postmarked on or before 11:59pm Vancouver (Pacific) time on [date].

SETTLEMENT APPROVAL HEARING

The Settlement is conditional on approval by the Court. The Settlement will be approved if the Court determines that it is fair and reasonable and in the best interests of Class Members to approve it.

The Court will hear an application for approval of the Settlement on [date] at [address] before the Honourable [Justice ●].

RELEASE OF CLAIMS AND EFFECT ON OTHER PROCEEDINGS

If the Settlement Agreement is approved by the Court, the claims and allegations of Class Members which were asserted or which could have been asserted in the Action will be released (“Released Claims”), and the Action will be dismissed. Class Members will not be able to pursue any action in relation to the Released Claims regardless of whether or not they file a claim for compensation from the Settlement. If approved, the Settlement will therefore represent the only means of compensation available to Class Members in respect of the Released Claims.

APPROVAL OF CLASS COUNSEL FEES AND OTHER EXPENSES

In addition to seeking the Court's approval of the Settlement Agreement, Class Counsel will seek the Court's approval of legal fees not to exceed [number]% of the Settlement Amount, plus disbursements not exceeding CAD\$[number] and applicable taxes ("**Class Counsel Fees**"). This fee request is consistent with the retainer agreement entered into between Class Counsel and the Plaintiffs at the beginning of the litigation. As is customary in such cases, Class Counsel conducted the class action on a contingent fee basis. Class Counsel was not paid as the matter proceeded and funded the expenses of conducting the litigation.

Class Counsel will also seek the Court's approval for the payment of an honoraria to the Plaintiffs not exceeding CAD\$[number] each. Class Counsel will be requesting that the honoraria be deducted directly from the Settlement Amount.

The approval of the Settlement is not contingent on the approval of the Class Counsel Fees requested or an honorarium to the Plaintiff. The Settlement may still be approved even if the requested Class Counsel Fees or the Plaintiff's honorarium are not approved.

The fees of the Administrator, together with any other costs relating to approval, notification, implementation and administration of the settlement ("**Administration Expenses**"), will also be paid from the Settlement Amount.

CLASS MEMBERS' ENTITLEMENT TO COMPENSATION

Class Members will be eligible for compensation pursuant to the Settlement if they submit a completed Claim Form, including any supporting documentation, with the Administrator, and their claim satisfies the criteria set out in the Distribution Protocol.

To be eligible for compensation under the Settlement, your Claim Form must be postmarked or received by the Administrator by **no later than 11:59pm Vancouver (Pacific) time on [date]** ("**Claims Bar Deadline**"). Only Class Members who have not opted out of the Action are permitted to recover from the Settlement.

If the Settlement Agreement is approved by the Court, the Settlement Amount, after deduction of Class Counsel Fees, Administration Expenses and any approved honorarium ("**Net Settlement Amount**") will be distributed to Class Members in accordance with the Distribution Protocol, subject to the Court's approval.

The proposed Distribution Protocol provides that in order to determine the individual entitlements of Class Members who make claims, the losses of each claimant will be calculated in accordance with a formula based on the statutory damages provisions contained in the securities legislation of British Columbia. Once the notional losses of all Class Members who have filed valid claims have been calculated, the Net Settlement Amount will be allocated to those Class Members in proportion to their percentage of the total notional losses calculated for all valid claims filed. Because the Net Settlement Amount will be distributed pro rata, it is not possible to estimate the individual recovery of any individual Class Member until all the claims have been received and reviewed.

The approval of the Settlement is not contingent on the approval of the Distribution Protocol. The Court may still approve the Settlement even if it does not approve the Distribution Protocol or approves amendments to the Distribution Protocol.

In the event any amounts remain undistributed 180 days after the distribution of the Net Settlement Amount (because of uncashed cheques or for other administrative reasons), those amounts will be distributed to eligible Class Members (if sufficient to warrant a further distribution) or distributed to the Law Foundation of British Columbia.

ADMINISTRATOR

The Court has appointed [Administrator] as the Administrator of the Settlement. The Administrator will, among other things: (i) receive and process the Claim Forms; (ii) determine Class Members' eligibility for and entitlement to compensation pursuant to the Distribution Protocol; (iii) communicate with Class Members regarding claims for compensation; and (iv) manage and distribute the Settlement Amount in accordance with the Settlement Agreement and the orders of the Court. The Administrator can be contacted at:

Claims Bar Deadline (to file a claim for compensation): 11:59 pm Vancouver (Pacific) time on [date]

PURPOSE OF THIS NOTICE

The purpose of this notice is to advise Class Members of the approval of the settlement of the class proceeding brought on behalf of Class Members.

THE ACTION AND CLASS CERTIFICATION

In 2020, a class proceeding (“Action”) was commenced in the Supreme Court of British Columbia (“Court”) against Northern Dynasty Minerals Ltd. (“Northern Dynasty”), Ronald W. Thiessen, Thomas C. Collier, Cantor Fitzgerald Canada Corporation, Canaccord Genuity Corp., BMO Nesbitt Burns Inc., Paradigm Capital Inc., TD Securities Inc., and Velocity Trade Capital (collectively, the “Defendants”).

The Action alleges that the Defendants made misrepresentations regarding the permit application process for Northern Dynasty’s proposed Pebble Project. The Action alleges that the misrepresentations were corrected over two corrective disclosures: *first*, on August 24, 2020, when media outlets reported that due to the environmental impacts of the project the USACE was set to impose stringent compensatory mitigation requirements for the Pebble Project; *second*, on November 25, 2020, when the USACE issued an unfavourable Record of Decision denying the Pebble Project’s permit application. It is further alleged that following these disclosures Northern Dynasty’s share price declined significantly, causing damage to the Class Members.

On [date], the Court certified the Action as a class action for settlement purposes. The Class excludes the following persons: Northern Dynasty and the Underwriters (as defined in the Settlement Agreement) and their respective past or present subsidiaries, directors, officers, legal representatives, predecessors, successors and assigns, as well as Thiessen and Collier, their immediate family members, and any entities in which they have a controlling interest.

SETTLEMENT APPROVAL

On [date] the Plaintiffs and Defendants executed a Settlement Agreement providing for the settlement of the Action (“**Settlement**”). The Settlement Agreement provides for the payment of USD\$2,125,000 (“**Settlement Amount**”) in consideration of the full and final settlement of the claims of Class Members. The Settlement Amount includes all legal fees, disbursements, taxes and administration expenses.

The Settlement provides that the claims of all Class Members asserted or which could have been asserted in the Action will be fully and finally released, and the Action will be dismissed. The Settlement is not an admission of liability, wrongdoing or fault on the part of the Defendants, all of whom have denied, and continue to deny, the allegations against them.

On [date], the Supreme Court of British Columbia approved the Settlement and ordered that it be implemented in accordance with its terms.

Class Members who purchased securities of Northern Dynasty Minerals Ltd. on the NYSE may be eligible for compensation under a United States settlement agreement, subject to approval of the United States settlement agreement by the United States court. Information on claims deadlines and processes can be found at [website].

The Court also awarded Siskinds LLP and KND Complex Litigation (“Class Counsel”) total legal fees, expenses and applicable taxes in the amount of CAD\$[amount] inclusive of disbursements of CAD\$[amount], plus HST, GST and/or PST (“Class Counsel Fees”). As is customary in such cases, Class Counsel conducted the class action on a contingent fee basis. Class Counsel was not paid as the matter proceeded and funded the expenses of conducting the litigation. Class Counsel Fees will be deducted from the Settlement Amount before it is distributed to Class Members.

Expenses incurred or payable relating to approval, notification, implementation and administration of the Settlement (“**Administration Expenses**”) will also be paid from the Settlement Amount before it is distributed to Class Members.

The Court also approved the payment of honoraria to the Plaintiffs in the amount of CAD\$[amount] each. The honoraria will be deducted from the Settlement Amount before it is distributed to Class Members.

CLASS MEMBERS’ ENTITLEMENT TO COMPENSATION

Pursuant to the Court order approving the Settlement, claims of Class Members which were or could have been asserted in the Action are now released and the Action has been dismissed. Class Members may not pursue individual or class actions for those claims, whether or not they submit

a claim for compensation from the Settlement. **The Settlement therefore represents the only means of compensation available to Class Members in respect of the claims raised in the Action.**

For instructions on how to submit a claim for compensation from the Settlement, refer to the previously-issued notice of certification and settlement approval hearing, which is available at [website to be created by Administrator]. To be eligible for compensation under the Settlement, your Claim Form must be postmarked or received by the Administrator by **no later than 11:59pm Vancouver (Pacific) time on [date]**.

After deduction of Class Counsel Fees, Administration Expenses and the approved honorarium, the balance of the Settlement Amount (“**Net Settlement Amount**”) will be distributed to Class Members in accordance with the Distribution Protocol approved by the Court.

The proposed Distribution Protocol provides that in order to determine the individual entitlements of Class Members who make claims, the losses of each claimant will be calculated in accordance with a formula based on the statutory damages provisions contained in the securities legislation of British Columbia. Once the notional losses of all Class Members who have filed valid claims have been calculated, the Net Settlement Amount will be allocated to those Class Members in proportion to their percentage of the total notional losses calculated for all valid claims filed. Because the Net Settlement Amount will be distributed pro rata, it is not possible to estimate the individual recovery of any individual Class Member until all the claims have been received and reviewed.

In the event any amounts remain undistributed 180 days after the distribution of the Net Settlement Amount (because of uncashed cheques or for other administrative reasons), those amounts will be distributed to eligible Class Members (if sufficient to warrant a further distribution) or distributed to the Law Foundation of British Columbia.

YOU HAVE TWO OPTIONS:

1. Submit a Claim Form:

Fill out a Claim Form online and submit it with supporting documentation by the deadline to apply for compensation. The deadline for Claim Form submission is ●.

2. Do Nothing:

Give up any right to compensation.

COPIES OF THE SETTLEMENT DOCUMENTS

The Settlement Agreement and various other Court-approved documents set out the procedures applicable to the Settlement of the class action. The Settlement Amount, less administration costs, honorarium and lawyers’ fees and disbursements, will be distributed to those who are eligible and submit a claim form and supporting documentation on a pro rata basis up to the value of their calculated loss, in accordance with the Court-approved and supervised Distribution Protocol. The Distribution Protocol, Settlement Agreement, and other pertinent documents can be found at: [website] or by contacting Class Counsel at the address below.

APPENDIX "2"

DISTRIBUTION PROTOCOL

This Distribution Protocol should be read in conjunction with the Settlement Agreement dated August 30, 2023 (“**Settlement Agreement**”).

DEFINED TERMS

1. Unless otherwise defined herein, capitalized terms used are as defined in the Settlement Agreement. In addition, the following definitions apply to this Distribution Protocol:
 - (a) **Acquisition Expense** means the price per security paid by a Claimant (including brokerage commissions) to acquire an Eligible Security;
 - (b) **Claimant** means a Class Member who submits a properly completed Claim Form and all required supporting documentation to the Administrator on or before the Claims Bar Deadline;
 - (c) **Claims Bar Deadline** means 11:59pm Vancouver (Pacific) time on the date that is one hundred and eighty (180) calendar days after the date on which the First Notice is first published or such other date as may be fixed by the Court;
 - (d) **FIFO** means “first in, first out”, whereby for the purpose of determining Claimants’ Notional Entitlement, securities are deemed to be sold in the same order that they were purchased (e.g. the first Eligible Securities purchased by a Claimant are deemed to be the first Eligible Securities sold); and
 - (e) **Notional Entitlement** means an Authorized Claimant’s notional damages as calculated pursuant to the formulae set forth in this Distribution Protocol, which forms the basis upon which each Authorized Claimant’s *pro rata* share of the Net Settlement Amount is determined.

OBJECTIVE

2. The objective of this Distribution Protocol is to equitably distribute the Net Settlement Amount among Authorized Claimants.

CALCULATION OF NOTIONAL ENTITLEMENT

3. The Net Settlement Amount will be distributed in accordance with this Distribution Protocol.
4. The Administrator shall apply FIFO to determine the purchase transactions that correspond to the sale of Eligible Securities, including in the calculation of an Authorized Claimant's Notional Entitlement.
5. The Administrator shall first determine a Claimant's Notional Entitlement. If the Claimant has a Notional Entitlement greater than zero, they become an Authorized Claimant, and the Administrator will go on to calculate the Authorized Claimant's monetary compensation. A Claimant must have a Notional Entitlement greater than zero in order to be eligible to receive a payment from the Net Settlement Amount.
6. Transfers of Northern Dynasty Minerals Ltd. ("**NDM**") securities between accounts belonging to the same Claimant will not be taken into account in determining a Claimant's Notional Entitlement.
7. The date of a purchase or sale shall be the trade date of the transaction, as opposed to the settlement date of the transaction or the payment date.
8. An Authorized Claimant's Notional Entitlement will be calculated as follows:

CALCULATION OF MONETARY COMPENSATION AND DISTRIBUTION

- 9. Each Authorized Claimant's actual compensation shall be the portion of the Net Settlement Amount equivalent to the ratio of his, her or its Notional Entitlement to the total Notional Entitlements of all Authorized Claimants multiplied by the Net Settlement Amount, as calculated by the Administrator.
- 10. Compensation shall be paid to Authorized Claimants in Canadian currency.
- 11. If, one hundred eighty (180) days from the date on which the Administrator distributes the Net Settlement Amount to Authorized Claimants, the Escrow Account remains in a positive balance (whether due to tax refunds, uncashed cheques, or otherwise), the Administrator shall, if feasible, reallocate such balance among the Authorized Claimants in an equitable and economic fashion. If, in the opinion of the Administrator, it is not feasible to reallocate

any remaining balance among the Authorized Claimants in an equitable and economic fashion, such balance shall be distributed to the Law Foundation of British Columbia.

12. By agreement between the Administrator and Class Counsel, any deadline contained in this Distribution Protocol may be extended. Class Counsel and the Administrator shall agree to extend a deadline(s) if, in their opinions, doing so will not adversely affect the efficient administration of the Settlement and it is in the best interests of the Class to do so.

CLAIMS PROCESS

13. In order to seek payment from the Settlement Amount, a Class Member shall submit a completed Claim Form to the Administrator on or before the Claims Bar Deadline.
14. The Administrator shall review each Claim Form and verify that the Claimant is eligible for compensation from the Net Settlement Amount, as follows:
 - (a) for a Claimant claiming as a Class Member, the Administrator shall be satisfied that the Claimant is a Class Member; or
 - (b) for a Claimant claiming on behalf of a Class Member or a Class Member's estate, the Administrator shall be satisfied that:
 - A. the Claimant has authority to act on behalf of the Class Member or the Class Member's estate in respect of financial affairs;
 - B. the person or estate on whose behalf the claim was submitted was a Class Member; and
 - C. the Claimant has provided all supporting documentation required by the Claim Form or alternative documentation acceptable to the Administrator.

15. The Administrator shall ensure that only claims for compensation in respect of Eligible Securities in the Claim Form are approved.
16. If, for any reason, a Claimant is unable to complete the Claim Form then it may be completed by the Claimant's personal representative or a member of the Claimant's family duly authorized by the Claimant to the satisfaction of the Administrator.

IRREGULAR CLAIMS

17. The claims process is intended to be expeditious, cost effective and "user friendly" to minimize the burden on Claimants. The Administrator shall, in the absence of reasonable grounds to the contrary, assume Claimants to be acting honestly and in good faith. The Administrator shall use email for correspondence with Claimants to the maximum extent possible.
18. Where a Claim Form contains minor omissions or errors, the Administrator shall correct such omissions or errors if the information necessary to correct the error or omission is readily available to the Administrator.
19. In order to remedy any deficiency in the completion of a Claim Form, the Administrator may require and request that additional information be submitted by a Class Member who submits a Claim Form. Such Class Members shall have until the later of sixty (60) days from the date of the request from the Administrator or the Claims Bar Deadline to rectify the deficiency. Any person who does not respond to such a request for information within this period shall be forever barred from receiving any payments pursuant to the Settlement, subject to any order of the Court to the contrary, but will in all other respects be subject to and bound by the provisions of the Settlement Agreement and the releases contained therein.

20. The claims process is also intended to prevent fraud and abuse. If, after reviewing any Claim Form, the Administrator believes that the claim contains unintentional errors which would materially exaggerate the Notional Entitlement of the Claimant, then the Administrator may disallow the claim in its entirety or make such adjustments so that an appropriate Notional Entitlement is allocated to the Claimant. If the Administrator believes that the claim is fraudulent or contains intentional errors which would materially exaggerate the Notional Entitlement of the Claimant, then the Administrator shall disallow the claim in its entirety.
21. Where the Administrator disallows a claim in its entirety, the Administrator shall send to the Claimant, at the email or postal address provided by the Claimant or the Claimant's last known email or postal address, a notice advising that the claim has been disallowed and that the Claimant may request the Administrator to reconsider its decision. For greater certainty, a Claimant is not entitled to a notice or a review where a claim is allowed but the Claimant disputes the amount of his, her or its Notional Entitlement or his, her or its individual compensation.
22. Any request for reconsideration must be received by the Administrator within 45 days of the date of the notice advising of the disallowance. If no request is received within this time period, the Claimant shall be deemed to have accepted the Administrator's determination and the determination shall be final and not subject to further review by any court or other tribunal.
23. Where a Claimant files a request for reconsideration with the Administrator, the Administrator shall advise Class Counsel of the request and conduct an administrative review of the Claimant's complaint.

24. Following its determination in an administrative review, the Administrator shall advise the Claimant of its determination. In the event the Administrator reverses a disallowance, the Administrator shall send the Claimant, at the email or postal address provided by the Claimant or the Claimant's last known email or postal address, a notice specifying the revision to the Administrator's disallowance.
25. The determination of the Administrator in an administrative review is final and is not subject to further review by any court or other tribunal.
26. Any matter not referred to above shall be determined by analogy by the Administrator in consultation with Class Counsel.
27. No action shall lie against Class Counsel or the Administrator for any decision made in the administration of the Settlement Agreement and the Distribution Protocol without an order from a Court authorizing such an action.

APPENDIX "5"

SECOND NOTICE – LONG FORM

NORTHERN DYNASTY MINERALS LTD. SECURITIES CLASS ACTION

NOTICE OF SETTLEMENT APPROVAL

Please read this notice carefully. A settlement may affect your legal rights. You may have to take prompt action.

This notice is directed to: All persons and entities, wherever they may reside or may be domiciled, who purchased or otherwise acquired securities of Northern Dynasty Minerals Ltd. between March 29, 2018 and November 25, 2020, inclusive, and held some or all of those securities as of August 22, 2020 or November 25, 2020.

(collectively, “Class” or “Class Members”)

IMPORTANT DEADLINE TO FILE A CLAIMS FOR COMPENSATION

Claims Bar Deadline (to file a claim for compensation): 11:59 pm Vancouver (Pacific) time on [date]

PURPOSE OF THIS NOTICE

The purpose of this notice is to advise Class Members of the approval of the settlement of the class proceeding brought on behalf of Class Members.

THE ACTION AND CLASS CERTIFICATION

In 2020, a class proceeding (“Action”) was commenced in the Supreme Court of British Columbia (“Court”) against Northern Dynasty Minerals Ltd. (“Northern Dynasty”), Ronald W. Thiessen, Thomas C. Collier, Cantor Fitzgerald Canada Corporation, Canaccord Genuity Corp., BMO Nesbitt Burns Inc., Paradigm Capital Inc., TD Securities Inc., and Velocity Trade Capital (collectively, the “Defendants”).

The Action alleges that the Defendants made misrepresentations regarding the permit application process for Northern Dynasty’s proposed Pebble Project. The Action alleges that the misrepresentations were corrected over two corrective disclosures: *first*, on August 24, 2020, when media outlets reported that due to the environmental impacts of the project the USACE was set to impose stringent compensatory mitigation requirements for the Pebble Project; *second*, on November 25, 2020, when the USACE issued an unfavourable Record of Decision denying the Pebble Project’s permit application. It is further alleged that following these disclosures Northern Dynasty’s share price declined significantly, causing damage to the Class Members.

On [date], the Court certified the Action as a class action for settlement purposes. The Class excludes the following persons: Northern Dynasty and the Underwriters (as defined in the Settlement Agreement) and their respective past or present subsidiaries, directors, officers, legal representatives, predecessors, successors and assigns, as well as Thiessen and Collier, their immediate family members, and any entities in which they have a controlling interest.

SETTLEMENT APPROVAL

On [date] the Plaintiffs and Defendants executed a Settlement Agreement providing for the settlement of the Action (“**Settlement**”). The Settlement Agreement provides for the payment of USD\$2,125,000 (“**Settlement Amount**”) in consideration of the full and final settlement of the claims of Class Members. The Settlement Amount includes all legal fees, disbursements, taxes and administration expenses.

The Settlement provides that the claims of all Class Members asserted or which could have been asserted in the Action will be fully and finally released, and the Action will be dismissed. The Settlement is not an admission of liability, wrongdoing or fault on the part of the Defendants, all of whom have denied, and continue to deny, the allegations against them.

On [date], the Supreme Court of British Columbia approved the Settlement and ordered that it be implemented in accordance with its terms.

Class Members who purchased securities of Northern Dynasty Minerals Ltd. on the NYSE may be eligible for compensation under a United States settlement agreement, subject to approval of the United States settlement agreement by the United States court. Information on claims deadlines and processes can be found at [website].

The Court also awarded Siskinds LLP and KND Complex Litigation (“Class Counsel”) total legal fees, expenses and applicable taxes in the amount of CAD\$[amount] inclusive of disbursements of CAD\$[amount], plus HST, GST and/or PST (“Class Counsel Fees”). As is customary in such cases, Class Counsel conducted the class action on a contingent fee basis. Class Counsel was not paid as the matter proceeded and funded the expenses of conducting the litigation. Class Counsel Fees will be deducted from the Settlement Amount before it is distributed to Class Members.

Expenses incurred or payable relating to approval, notification, implementation and administration of the Settlement (“**Administration Expenses**”) will also be paid from the Settlement Amount before it is distributed to Class Members.

The Court also approved the payment of honoraria to the Plaintiffs in the amount of CAD\$[amount] each. The honoraria will be deducted from the Settlement Amount before it is distributed to Class Members.

CLASS MEMBERS’ ENTITLEMENT TO COMPENSATION

Pursuant to the Court order approving the Settlement, claims of Class Members which were or could have been asserted in the Action are now released and the Action has been dismissed. Class Members may not pursue individual or class actions for those claims, whether or not they submit a claim for compensation from the Settlement. **The Settlement therefore represents the only**

means of compensation available to Class Members in respect of the claims raised in the Action.

For instructions on how to submit a claim for compensation from the Settlement, refer to the previously-issued notice of certification and settlement approval hearing, which is available at [website to be created by Administrator]. To be eligible for compensation under the Settlement, your Claim Form must be postmarked or received by the Administrator by **no later than 11:59pm Vancouver (Pacific) time on [date]**.

After deduction of Class Counsel Fees, Administration Expenses and the approved honorarium, the balance of the Settlement Amount (“**Net Settlement Amount**”) will be distributed to Class Members in accordance with the Distribution Protocol approved by the Court.

The proposed Distribution Protocol provides that in order to determine the individual entitlements of Class Members who make claims, the losses of each claimant will be calculated in accordance with a formula based on the statutory damages provisions contained in the securities legislation of British Columbia. Once the notional losses of all Class Members who have filed valid claims have been calculated, the Net Settlement Amount will be allocated to those Class Members in proportion to their percentage of the total notional losses calculated for all valid claims filed. Because the Net Settlement Amount will be distributed pro rata, it is not possible to estimate the individual recovery of any individual Class Member until all the claims have been received and reviewed.

In the event any amounts remain undistributed 180 days after the distribution of the Net Settlement Amount (because of uncashed cheques or for other administrative reasons), those amounts will be distributed to eligible Class Members (if sufficient to warrant a further distribution) or distributed to the Law Foundation of British Columbia.

YOU HAVE TWO OPTIONS:

1. Submit a Claim Form:

Fill out a Claim Form online and submit it with supporting documentation by the deadline to apply for compensation. The deadline for Claim Form submission is ●.

2. Do Nothing:

Give up any right to compensation.

COPIES OF THE SETTLEMENT DOCUMENTS

The Settlement Agreement and various other Court-approved documents set out the procedures applicable to the Settlement of the class action. The Settlement Amount, less administration costs, honorarium and lawyers’ fees and disbursements, will be distributed to those who are eligible and submit a claim form and supporting documentation on a pro rata basis up to the value of their calculated loss, in accordance with the Court-approved and supervised Distribution Protocol. The Distribution Protocol, Settlement Agreement, and other pertinent documents can be found at: [website] or by contacting Class Counsel at the address below.
